Dear Warren,

Congratulations!

I am pleased to inform you that you scored in the top 10 percent of all Cal Poly Orfalea College of Business students that recently took the ETS Field Test for the MBA degree. In fact, your score of 278 puts you in the top five percent of the thousands of MBA students who take this exam each year across the United States.

This is a tremendous accomplishment, as this exam tests MBA student knowledge in the key functional areas of business, and is one measure of how we externally benchmark ourselves with other MBA programs and students.

Good work!

Best wishes,

Chris Carr
